

Unit 12 — Year Review: Toward Oberstufe

Track E • Klasse 10 • Niveau E

Learning objectives

- *I can compile an Oberstufe-readiness portfolio with 5 representative pieces.*
- *I can write a 300-word year reflection demonstrating wide grammar range.*
- *I can deliver a 4-minute portfolio talk with two quotes from my own writing.*

Lead-in

Mr. Yilmaz wrote on the board: *one folder, five pieces, one decision*. The class understood. The *decision* was the Oberstufe choice — Basisfach or Leistungsfach Englisch. Maja had decided. Half the class had decided. The other half were still reading leaflets, which is, Mr. Yilmaz said, *the right amount of patience for the wrong amount of time*.

Practise

- Build the five labels for your own folder.
- Build a 7-line reflection draft using mixed tenses (past simple, past perfect, present perfect, future perfect, mixed conditional).

Your turn

Portfolio + 300-word reflection + 4-minute talk + 200-word forward letter.
Submit the portfolio and deliver a 4-minute talk. Audience gives one feedback sentence.

Reflect
