

Unit 10 — Kommunikationsprüfung Mock

Track E • Klasse 12 • Niveau E (Basisfach / Leistungsfach)

Learning objectives

- *I can deliver a 5-minute Abitur-style monologue from a stimulus and respond to a 5-minute examiner dialogue.*
- *I can use the formal spoken-academic register and rebut / concede in real time.*
- *I can self-assess my performance against the BW Abitur Bewertungsraster (grading grid).*

Lead-in

Mr. Yilmaz set today's lesson as a full-format mock Kommunikationsprüfung (oral exam). Format: 5-min monologue + 5-min examiner dialogue + 2-min closing. Bewertungsraster (grading grid) provided in advance: *kommunikative Textgestaltung* and *sprachliche Korrektheit und Variabilität*, weighted 50/50 in Basisfach (basic course), 40/60 in Leistungsfach (advanced course).

Key points

- **Kommunikative Textgestaltung** (40-50 %): Aufbau, Kohärenz, Adressatenbezug, Strategien der Gesprächsführung.
- **Sprachliche Korrektheit und Variabilität** (50-60 %): Wortschatz, Grammatik, Idiomatik, Aussprache, Register-Sensibilität.

Practise

- Match: kommunikative Textgestaltung → structure + coherence; sprachliche Korrektheit → vocabulary + grammar.
- T or F: in Leistungsfach (advanced course), Sprache is weighted higher than Inhalt.
- Self-assess your last rehearsed monologue in two columns: *Aufbau* / *Sprache*.

Your turn

Pair Komm-Prüfung mock. 12 minutes per pair. Audience scores using a simplified BW Bewertungsraster (grading grid). Class debrief at the end with each pair receiving one specific feedback sentence.

Reflect
