

Unit 11 — Public Speaking: A Short Talk

Track G+M • Klasse 8 • Niveau G/M

Learning objectives

- *I can deliver a 2-minute monologue with three movements (hook, body, close).*
- *I can use signposting phrases for spoken English.*
- *I can listen to a peer's talk and give one specific piece of feedback.*

Lead-in

Hawa is preparing a talk. The rule: two minutes, no slides, one object you bring with you. Hawa is bringing a small green spoon. Jonas is bringing a single cloud photo printed on paper. Mr. Ade is bringing a calmly worried face, which he has done before.

Practise

- Match: hook → grab attention; body → make 3 points; close → leave one idea.
- Choose a hook for *the importance of break time*: a question / a single object / a strong sentence.
- Draft the bullets for your own 2-minute talk on a topic of your choice.

Your turn

Class talks. Each student delivers a 2-minute monologue with the three movements + one object. After every talk, one classmate gives feedback in one English sentence using *I noticed that ... / What worked was ... / One thing you could try is ...*

Reflect

- I can deliver a 2-minute monologue with three movements.
- I can use 5 spoken-English signposts.
- I can give one specific piece of feedback in English.
