Track E • Klasse 5 • Niveau E

Niveau E

1. Reading

Read the text, then answer in full sentences.

Hello, my name is Mia. In September I couldn't say much in English. Now I can introduce myself, talk about my family, and order a hot chocolate in a cafe. I have got a cat called Pepper and a brother called Theo. My favourite season is autumn because I like rainy walks. Next year I want to read my first English short story. Thank you.

2. Practise

1. Build a 5-line talk using the three frames.
2. Build an 8-line talk: introduction, three Then/Now facts (one with possessive, one with *can*, one with present continuous), one Forward, one polite ending.

3. Write

Class show. Each student stands at the front for 60–90 seconds. Bullets only. After every talk, one classmate gives feedback in one English sentence. The teacher records the talks for a class playlist.
