

Unit 8 — Post-Colonial Voices, Advanced

Track E · Klasse 12 · Niveau E (Basisfach / Leistungsfach)

Niveau E

1. Reading

Read the text, then answer in full sentences.

Rushdie (1994): The narrator's two surnames sit side by side on a London library card. The library card itself is a postcolonial artefact: two languages, two empires, one borrower.

2. Practise

1. Match: hybridity → Bhabha; subaltern → Spivak; double consciousness → Du Bois; contrapuntal reading → Said.
2. T or F: *mimicry* in Bhabha is a strategy of compliance; the *subaltern* in Spivak refers to those without representational access.
3. Build 4 sentences applying academic post-colonial vocabulary to the three extracts.

3. Write

Post-colonial essay, 400 words. Argue a complex thesis sustained across the three extracts. Use 3 integrated quotes + 4 academic-postcolonial terms + 5 academic discourse markers + 1 cleft.

Lösungen **Controlled.** 1. all true.

2. F (mimicry is partly destabilising — copy + difference), T.

Productive. 3. Open.
