Unit 7 — An Adventure Story

Track E · Klasse 6 · Niveau E

Learning objectives I

- *I can read a short adventure story and identify setting, characters, plot.*
- *I can use past simple and past continuous together with while* and *when*.
- *I can write a 100-word continuation in past tense.*

Lead-in I

Sam found an old envelope behind the bookshelf. The paper was thick and yellow. Inside there was one page, half a map, and the signature *Captain Cody — 1782*. The map showed an island that did not appear on any modern atlas. Sam decided not to mention it to anyone. Yet.

Reading I

Reading — *Captain Cody's Letter* (extract 1)
Dear traveller. If you are reading this, the envelope has waited a long time. The map is incomplete. The other half is hidden in a place where books and silence keep each other company. Bring courage. Bring biscuits. Don't bring a phone — it spoils the mood. Yours, Cody.

Grammar — *while* / *when* + past simple/continuous
While + past continuous (longer action):

- *I was reading **while** Sam was walking home.*

When + past simple (event):

Reading II

- *I was reading **when** Sam arrived.*

Form: *was/were + -ing*.

Practise I

Niveau E — controlled

1. Past continuous: I _____ (read). Sam _____ (walk) home. They _____ (look) at the map.
2. Choose *while* or *when*: ___ I was reading, the phone rang. ___ Sam was walking, it started to rain.

Niveau E — productive

3. Build 4 sentences combining past continuous + past simple with *when* and *while*.

Your turn I

Story continuation. Write 100 words continuing *Captain Cody's Letter*. What happens next? Stay in past simple. Use one *while* and one *when*.

Sample

Sam folded the half-map and put it under his pillow. While he was eating dinner, he kept thinking about the place 'where books and silence keep each other company'. The library, of course. When he arrived the next afternoon, the librarian was placing a stack of books on a low shelf. "Are you looking for something old?" she asked. Sam swallowed. "Yes," he said. "Very old." The librarian nodded slowly, as if she had been waiting for this exact question for years.

Reflect I

- I can identify setting, characters, plot in a short story.
- I can use past simple and past continuous together.
- I can write a 100-word continuation.

Further reading / listening I

- Project Gutenberg — short adventure stories.
- BBC Learning English — *Past continuous*.
