

Unit 11 — Issue-Framed Debate

Track E • Klasse 13 • Niveau E (Basisfach / Leistungsfach) • Abitur year

Learning objectives

- *I can deliver a 5-minute argued speech in an issue-framed debate, with one rebuttal of a specific previous-speaker claim.*
- *I can chair a 30-minute panel-format debate.*
- *I can synthesise a 3-minute closing statement for a team.*

Lead-in

Final speaking Unit. Mr. Yilmaz set up an issue-framed debate at quasi-Oxford-Union format: two teams of three, each speaker has 5 minutes, plus a 3-minute team closing. The motion: *This house would treat platform algorithms as public utilities subject to mandatory transparency*. The debate lasts 30 minutes and is chaired by a student.

Key points

- **Chair (1 student):** introduces motion, calls speakers, manages time, opens floor for 2 short questions per team, calls the close. Chair must remain neutral on the motion.

Practise

- Match: Speaker 1 → frame + 1st argument; Speaker 2 → 2nd argument + rebuttals; Speaker 3 closing → synthesis + urge.
- T or F: chair argues the motion; rebuttals must name the specific previous-speaker claim; closing speaker can introduce a new argument.
- Draft Speaker 2's bullets: 2nd argument + 2 named rebuttals.

Your turn

Class issue-framed debate (30 minutes). Two teams of three + chair. Audience scores each speaker on Bewertungsraster (Textgestaltung + Sprache). Class debrief at the end.
