

Unit 12 — Class Magazine Issue

Track G+M • Klasse 8 • Niveau G/M

Learning objectives

- *I can plan and write a 150-word article for a class magazine.*
- *I can use grammar from the year (passive, second conditional, relative clauses, present perfect).*
- *I can edit a peer's article using a simple checklist.*

Lead-in

The class is producing a one-issue magazine. Six pages. Six articles. Each student is responsible for one piece (~150 words) plus one piece of feedback on a peer's article. Hawa is writing about the canteen. Jonas is writing about the lost-property cupboard, which he claims has its own ecosystem.

Practise

- Match headline → article: *Lost-Property Cupboard Has Its Own Ecosystem* — A. lost things B. canteen C. school trip.
- Build a 1-sentence lead for *the new canteen rules*.
- Build a 3-paragraph body for an article of your choice. Include one quote.

Your turn

Article, 150 words. Pick one topic from class life. Use 4 grammar points from the year (e.g. passive, relative clause, present perfect, contrast connective). Swap with a partner; edit using the checklist; rewrite.

Reflect

- I can write a 150-word article with a clear structure.
- I can use 4 grammar points in one piece.
- I can edit a peer's article using a checklist.
