

Unit 5 — Media and Truth

Track G+M • Klasse 10 • Niveau G/M

Learning objectives

- *I can read a short text and identify three signs of misinformation.*
- *I can use cautious-claim language (it appears that, evidence suggests, critics argue that).*
- *I can write a 180-word media-literacy review.*

Lead-in

Sam's class made a *Five-Minute Fact-Check* board on the wall. Each Friday, every student pinned one viral claim to the board, with three columns: *source / evidence / what would change my mind*. By March, the wall was full. Mr. Yilmaz did not say *I told you so*. He just looked at the wall sideways and smiled.
