

Unit 8 — Opinion Essay Writing

Track E • Klasse 11 • Niveau E (Basisfach / Leistungsfach)

Niveau E

1. Reading

Read the text, then answer in full sentences.

The 300-word op-ed forces the writer to choose a single best sentence and arrange the rest as a ramp toward and away from it. The 700-word column permits one well-developed counter, but only one. The 1,400-word essay can afford to lose two sentences and still land its argument; it can also support a fully-articulated counter, a partial concession, and a more subtle conclusion. Length, in this regard, is not merely cosmetic. It determines what kinds of arguments the form can carry.

2. Practise

1. Build a 4-link lexical chain for *the four-day school week*: ___ → _ → _ → ___ .
2. Match: *however / accordingly / by contrast / moreover* → contrast / consequence / contrast / addition.
3. Build 4 sentences using 4 different cohesion devices on a single topic.

3. Write

Opinion essay, 350 words. Five paragraphs: intro / 2 body / counter / conclusion. Use lexical chain (3+ links) + 4 conjunctive adverbs + 1 anaphoric reference + 2 hedges.

Lösungen **Controlled.** 1. *the four-day school week / the trial / the policy / the schedule.*
2. all true.
Productive. 3. Open.
