

Unit 4 — Australia Now

Track G+M · Klasse 10 · Niveau G/M

Niveau G+M

1. Reading

Read the text, then answer in full sentences.

Australia is more urban than its myth. About 86 % of Australians live in cities. Multiculturalism is real and complicated — Brisbane is home to large Vietnamese and Lebanese communities, and First Nations languages are taught in some primary schools. The bushfire season has lengthened over the past two decades. Sunscreen is not a luxury; it is a habit closer to brushing teeth.

2. Practise

1. Match AusE → standard: arvo, brekkie, barbie, servo → ?
2. T or F from the reading: 86 % live in cities, Vietnamese community in Brisbane, sunscreen optional.
3. Write 4 sentences about contemporary Australia using 2 AusE words and 2 facts from the text.

3. Write

Region portrait, 150 words. Write about contemporary Australia going past stereotypes. Use 1 AusE word + 2 specific facts.

Lösungen G. 1. afternoon / breakfast / BBQ / petrol station.

2. T, T, F (sunscreen is a habit, not optional).
