Unit 9 — Body and Health

Track G+M · Klasse 6 · Niveau G/M

Learning objectives I

- *I can name 12 body parts and 6 common illnesses.*
- *I can describe how I feel using I have got a … / I'm + adjective.*
- *I can hold a simple doctor-patient role-play.*

Lead-in I

Sam wakes up with a sore throat. He drinks tea, eats honey, refuses to admit defeat, and goes to school. By the second period, he has a strong opinion about the value of staying home. By the fourth period, his classmates have made it clear that they share his opinion. Strongly.

Reading I

Vocabulary — body and illness
Body: head, hair, eye, ear, nose, mouth, tongue, neck, shoulder, arm, elbow, hand, finger, chest, stomach, back, leg, knee, ankle, foot, toe. *Illness:* a cold, a cough, the flu, a sore throat, a headache, a stomachache, an earache, a fever, a runny nose.

Grammar — *have got a / I'm + adjective*

- *I have got a sore throat. / I've got a cold.*
- *I'm tired. I'm hot. I'm dizzy.*

Reading II

- *Where does it hurt? — It hurts here.*

Doctor-patient phrases

- *What's the matter?*
- *I don't feel well.*
- *Let me have a look.*
- *Take this medicine three times a day.*
- *Stay in bed. / Drink lots of water.*

Practise I

Niveau G

1. Match body part to image (slide).
2. Build: *I / cold* → ___ ; *I / sore throat* → ___ ; *I / fever* → ___ .

Niveau M

3. Doctor-patient mini-dialogue: build 6 lines.

Your turn I

Doctor-patient role-play. In pairs, two minutes. Patient describes symptoms (3+ details). Doctor asks two questions and gives one piece of advice. Swap.

Sample

— What's the matter? — I have a sore throat and a slight fever. My head hurts. — How long? — Since yesterday morning. — Take this medicine three times a day. Drink lots of water and stay home tomorrow.

Reflect I

- I can name 12 body parts and 6 illnesses.
- I can describe symptoms in 3 sentences.
- I can run a 6-line doctor-patient dialogue.
