Unit 12 — Review and Show

Track E · Klasse 5 · Niveau E

Learning objectives I

- *I can speak for 60–90 seconds about myself in English.*
- *I can use grammar from the year (am/is/are, have got, can, present simple, present continuous, possessive ’s).*
- *I can listen to a peer’s talk and give one constructive feedback sentence.*

Lead-in I

Mr. Flint sets up two small microphones in the corner of the classroom. ”At the end of Klasse 5,” he says, ”each of you stands here for a minute and says something true in English. Bullets, not full text.” Frida the fox sits at the back, taking imaginary notes. ”Will you speak too?” Mia asks. Frida says, ”Foxes don’t talk” — in perfect English.

Reading I

The 60–90 second talk — structure

1. **Then.** Where I started in September. (1–2 sentences)
2. **Now.** What I can do now. (3–4 sentences using the year's grammar)
3. **Forward.** One thing I want to learn next year. (1 sentence)

Reading II

Sample (~60 seconds)
Hello, my name is Mia. In September I couldn't say much in English. Now I can introduce myself, talk about my family, and order a hot chocolate in a cafe. I have got a cat called Pepper and a brother called Theo. My favourite season is autumn because I like rainy walks. Next year I want to read my first English short story. Thank you.

Feedback frames

- *I noticed that …*
- *One thing that worked was …*

Reading III

- *One thing you could try is …*

Practise I

Niveau E — controlled

1. Build a 5-line talk using the three frames.

Niveau E — productive

2. Build an 8-line talk: introduction, three Then/Now facts (one with possessive, one with *can*, one with present continuous), one Forward, one polite ending.

Your turn I

Class show. Each student stands at the front for 60–90 seconds. Bullets only. After every talk, one classmate gives feedback in one English sentence. The teacher records the talks for a class playlist.
