Unit 11 — Plans for the Summer

Track E · Klasse 7 · Niveau E

Learning objectives I

- *I can listen to a short conversation about summer plans and pick out arrangements, intentions, and spontaneous decisions.*
- *I can choose between will, going to, and present continuous to talk about the future.*
- *I can hold a 2-minute conversation about my summer plan with a partner.*

Lead-in I

Aisha asked the class: *What are you doing this summer?* Ben said *two weeks at my grandma's farm*. Marius said *nothing special*. Aisha said *that counts as something special if you do it on purpose*. Ms. Reyes wrote on the board: *A plan is a sentence in the future tense.*

Reading I

Listening — *Three Plans*
Aisha. What are you doing this summer?
Ben. I'm spending two weeks at my grandma's farm. We're going to fix her old greenhouse.
Marius. I'm not doing anything special. My family will be here all summer. I'll probably read a lot and finally learn to ride a skateboard.
Aisha. That counts as something special, Marius. Most people only plan trips. You're planning a skill.

Language focus — three futures

Reading II

Form	Use	Example
present continuous	fixed arrangement (often with another person, time, or place set)	*I'm meeting Lisa at five.*
be going to	intention or visible evidence	*We're going to fix the greenhouse.*

Form	Use	Example
will	spontaneous decision; prediction; promise	*I'll read for an hour.*

Reading III

Timetables: present simple (*The train leaves at 8:14*).
Pick one and stick with it. A common Niveau-M error is mixing forms inside a single sentence — *"I'm going to will see her".* Choose the form that matches the meaning, then commit.

Time clauses
After *when, as soon as, before, after, until*: use **present simple**, not *will*.

- *I'll text you when I arrive.* (not *when I will arrive*)
- *We won't leave before we have breakfast.*

Practise I

Niveau G — controlled
A. Future-form gap-fill.

1. Look at those clouds — it _____ (rain).
2. I _____ (visit) my cousin tomorrow; we already booked the tickets.
3. I'm thirsty. I _____ (get) a glass of water.

B. Time clauses.

4. I'll call you _____ (when / will arrive) home.

Practise II

5. We won't go _____ (until / will finish) our homework.

Niveau M — productive
C. Build the future form.

6. *(arrangement: cinema with Lisa, Friday 7 pm)* → ___
7. *(intention: improve maths grade)* → ___
8. *(spontaneous: offer to help carry shopping)* → ___

D. Conversation starters. Write three questions for a partner about their summer using three different future forms.

Your turn I

Pair speaking — *Summer Plan Swap*. With a partner, take turns interviewing each other about the summer.

- *One question with present continuous (arrangement).*
- *One question with going to (intention).*
- *One question with will (prediction or spontaneous offer).*

Two minutes each direction. Be ready to report your partner's plans to another pair.

Reflect I

- I can pick out arrangements, intentions, and spontaneous decisions in a dialogue.
- I can match the right future form to its meaning.
- I can hold a 2-minute summer-plan conversation.
