Unit 9 — The Abitur Analysis Task

Track E · Klasse 13 · Niveau E (Basisfach / Leistungsfach) · Abitur year

Learning objectives I

- *I can produce a 60-90 minute Abitur Analysis task (~18 BE Basisfach / ~25 BE Leistungsfach) on a 1,000-1,200-word source.*
- *I can sustain integrated close reading across 3+ paragraphs with technical vocabulary.*
- *I can self-assess Sprache against Abitur expectations.*

Lead-in I

Third of three Abitur-prep Units. Today's focus: the Analysis task — the section that rewards sustained close reading and Sprache range, and where Leistungsfach (advanced course) candidates are most clearly distinguished from Basisfach (basic course). 60 (BF) / 90 (LF) minutes. Submit. Debrief against Bewertungsraster.

Reading I

Analysis — sub-task patterns

1. **Analyse the writer's stance / argumentative strategy.** 3+ specific moves with integrated quotes.
2. **Analyse the language / register / structural features.** Technical vocabulary + close reading.
3. **Analyse the relationship between form and content.** (Leistungsfach only) — sustained argument across 3-4 paragraphs.

Reading II

Sprache range — Analysis
Vocabulary: *frame, register, syntax, diction, juxtaposition, parallelism, antithesis, irony, hedge, modal, periodic sentence, asyndeton, polysyndeton.*
Cohesion: academic discourse markers, lexical chains, anaphoric reference.
Quote integration: embedded fragments + integrated full quotes; no block-quotes.

Practise I

Niveau E — controlled

1. Match: stance / strategy → 3+ moves; language / structure → technical close reading; form / content → LF only, sustained argument.
2. T or F: block-quotes are rewarded in Analysis; technical vocabulary is rewarded in Analysis; LF Analysis is longer than BF Analysis.

Niveau E — productive

Practise II

3. Build a 5-sentence Analysis paragraph on a writer's argumentative strategy with 2 integrated quotes + 3 markers.

Your turn I

Abitur Analysis rehearsal, 60 (BF) / 90 (LF) minutes. 1,000-1,200 word source + Analysis prompt. Submit. Debrief against Bewertungsraster.

Sample
(See *Reflection on the rehearsal* — the production task is the timed Analysis itself.)

Reflect I

- I can produce a 60-90 minute Abitur Analysis on a 1,000-1,200-word source.
- I can sustain integrated close reading with technical vocabulary.
- I can self-assess Sprache against Abitur expectations.

Further reading / listening I

- Bildungsplan-aligned Abitur-prep collections.
- Past Abitur papers (BW), with caution.
